

7th June 2018

Dear Parents/Guardians,

On Thursday the 14th June, our Junior students will be participating in a Road Safety Activity at our school. We ask that the students bring in either a bike, scooter, roller blades or skateboard and a helmet. This activity will take place at our school netball courts and will be after lunch in our afternoon session. It aims at providing students a road safety awareness experience in a safe environment. We understand that students may be unable to bring anything in and want to assure you that they won't miss out on the experience as there will be plenty to go around.

Junior Teachers,

Sue, Alli, Jen, Jordyn, Brooke, Braden, Amanda & Karlene.
