

Dear Parents,

This term the Junior Unit has been investigating Push and Pull in Inquiry. As part of our students learning we have organised an excursion to Echuca on Thursday the 30<sup>th</sup> of August. Students will be visiting 'twistED,' a Science exploration centre, where they will be participating in a Push n Pull workshop and having time to explore the centre. We will also visit the Foundry to explore Forces.

Children must be at school at 8:00am as the buses will be departing at 8:15am promptly.

This will allow us time to have a snack before our first session starts at 10am.

Our last session concludes approximately at 1:00 and will be leaving Echuca close to 2:00, having us back in time for the end of the school day.

Students are required to wear Sports Uniform (coats if required) and need a drink bottle, packed snack and lunch, which we will carry in our lunchboxes in lunch baskets.

Please return permission slip below by Thursday 23<sup>rd</sup> of August.

Regards

Sue, Alli, Brooke, Jen, Jordyn, Karlene & Amanda
