Dear Parents/Guardians,

Today our Junior School is sending home an instruction sheet on how to connect to their class on Seesaw. Seesaw is a communication app designed to enhance our correspondence process with families. Please follow the instructions on the sheet attached to this letter and we will be able to see when you have registered your child on Seesaw. If you have any questions please ask your classroom teacher. For everyday communication please continue to use your child's diary or phone the school to speak to your classroom teacher. Our first communication will be after the sleepover.

Junior Teachers,

Sue, Alli, Jen, Jordyn, Brooke, Braden, Amanda & Karlene.
