Fr Frank Jones— Rest In Peace

We mourn the loss of a great man who very much influenced our school and helped fashion it to be what it is today. Fr Frank Jones, Parish Priest from 1999 to 2012, passed away on Saturday evening. Fr Frank loved his Parish and loved his School. He was very much a people's person, he lived for God and all that was good. We keep his family in our thoughts and prayers as we soon gather to celebrate his life.

I extend an invitation to attend Mass at 5:30pm on Sunday here at our Church. This Mass will honour Fr Frank's life. It will be followed by supper in the Mary MacKillop Centre. All those who attend are asked to bring a plate.

SUSTAINABILITY

On Thursday the 8th, the senior area had four visitors come to school and teach them about different sustainability areas. Jack from the Moira Shire Council taught the students about renewable energy, solar energy and how to reduce energy usage in their house.

Janice from Goulburn Broken Catchment Authority taught the students about the wildlife and how harming our environment can affect the population of Australian animals. Lanie from Goulburn Broken Stormwater Project taught them about stormwater and how certain materials and chemicals can harm marine life and the Murray River. Tracy from DS Kendall waster services drove her truck down to the school and taught the students about which bins to use and why putting the right waste in the right bins is so important.
