### Mothers, Grandmothers, Great Grandmothers Day

Last Friday we celebrated Mothers Day. Each of us is in part who we are because of our Mothers and for this we have much to celebrate. As a school we recognise that each of our families is different. Some of us are lucky to have Mum close by, for some she lives away and for others she has passed on and we live out her legacy.

Thanks to our P&F for the huge cook up and to the Preps for a Beautiful Prayer

#### Why should my child go to kindergarten?

Research shows Kindergarten improves children's health and well being, helps them to develop strong social skills and encourages a love of learning.

Children who go to a kindergarten program are more independent and confident and more likely to make a smooth transition to primary school
