

# CANTEEN NEWS

## **The Canteen will be closed on Friday (last day of term 3).**

Starting Term 4 the online ordering will be up and running and available for all. Our aim during term 4 is to run and test this system, iron out the bugs, with the intention of making the canteen solely online ordering in the new year. We encourage you over the school holidays to go online or download the MySchoolConnect App on your phone (using details from attached flyer), and set up an account for your child. (There is a link on the website in the top menu below that says "Phone App"). **\*\*PLEASE DO NOT PLACE ANY ORDERS ONLINE UNTIL TERM 4\*\***. We have a link on our website in the top menu below that says "Phone App"

Once online you can have a look at the menus and ordering process but please be aware the lists and prices are still being finalized over the school holidays.

ORDERS CAN BE PLACED ONLINE UP TO 9.30am on the day for our trial run.

We are keeping the option of manual (brown bag) ordering for the start of Term 4, but will be phasing it out in time. We're looking into a computer set up in foyer for students to order in the mornings if they don't have access to the internet at home.

We will keep you posted on the St Joeys parents Facebook page during the holidays if there is anything you need to know.

Thank you in advance for your patience while we set this up, get online, check it out, report any issues back to Paul Arnel or myself, and enjoy!

Have a great holiday break!
