Bulletin – Week 1 of Term 2, April 16th 2020

Dear Parents, Carers and Friends

Welcome to the New World of Living and Learning at St Joseph's. It is certainly a huge challenge for us all, but one that as a community, we can surely meet. So I urge you to look after each other, have fun with your family, be supportive of others, be a positive influence, share your ideas and set an example to our kids as to how to manage adversity.

In the long term, our kids will follow our example instead of our advice.

I hope you have had a positive first go at the home learning packs. Our teachers are in the process catching up with parents/carers to check in and start to develop a more personal program on-going. Don't stress over it too much, we are making something out of a difficult situation so do what you can do then move on.

Please do not hesitate to contact me at school or personally if required.

Live Life to the Fullest In Christ

Paul Arnel
Principal
0419 303562

Our staff are doing an amazing job. As many of you are doing, they too are managing their families while still working to serve you well. I am a very proud Principal. Accept their assistance openly, welcome their contact and treat them well.

Kids at School

We have a small number of children at school managed by a skeleton staff. They are children of parents/ carers who are working and cannot arrange care. I thank you all for your understanding in working within the guidelines. The idea behind having Home Programs is to maintain social isolation and restrict movement. This is the priority.

Getting Into A Routine

- You have your Home Learning Pack to see you through to the end of next week (April 24)
- You will be establishing your daily Home Learning routine
- Staff will be contacting you to see how you are going and how we need to modify your child/ren's pack for Week 3 (starting Monday, April 27)
- Class Teachers will negotiate a timeslot on Thursday or Friday, April 23/24 to **Grab & Go** your child/ren's Week 3 Home Learning Packs. This routine will then be on-going.
