Bulletin – Week 2 of Term 2, April 23rd 2020

Dear Parents, Carers and Friends

It's Week 2 of Living and Learning in the New World of Education. I do hope routine is starting to settle for Families at Home, it's a huge but exciting challenge. At the end of the day, do what you can. There are many variables so to be able to engage the children with school life is a tremendous social and educational bonus.

I am often asked as to how long our current Home School arrangement will last. Basically, we are in the hands of the State Government, not the Federal Government. The current Victorian Policy is that we will continue with Home Learning until the end of term. Watch this space ?!!!

Meanwhile our staff continue to step up and serve you in whatever way they can. The initiative, collaboration and positive attitude is testament to the commitment this group share. So I urge you to use them in assisting you through the day.

Our weekly School Grab & Go Routine rolls out now. This new week of work will reflect more individuality in responding to your needs. Each family has a Day & Time for pick up which becomes the weekly spot.

Please do not hesitate to contact me at school or personally if required.

Live Life to the Fullest In Christ

Kids at School

Again, we have a small number of children at school managed by a skeleton staff. They are children of parents/ carers who are working and cannot arrange care. I thank you all for your understanding in working within the guidelines. The idea behind having Home Programs is to maintain social isolation and restrict movement. This is the priority. Please call or email me if your situation changes and you require your child/ren to attend school.

Canteen

Our canteen continues for children attending school. Please utilise this service in assisting us in keeping it viable. Normal menu stands + these daily specials:

Monday – Tacos

Tuesday – Homemade Pizzas

Wednesday – Homemade Spaghetti Bolognese

Thursday – Steamed Dim Sims

Friday – Pies & Homemade Sausage Rolls

School Cleaning

This year we have welcomed Ebony Morgan and Gabby Johnson to our school in taking up the cleaning role. They have been particularly busy in the daily cleaning of all areas used by staff & children. This even includes our playground and classroom furniture.
