Live Life to the Fullest In Christ

Paul Arnel
Principal

It was a marvellous sight in seeing our Preps and Junior School boys and girls return on Tuesday. I especially thank and congratulate the parents of these children who respectfully provide our staff with space. It has been a very smooth return. It won't be long and we will be back together, we are surely looking forward to that!

LOOK AFTER OUR STAFF

These men and women have been nothing short of outstanding. I could not be a prouder Principal, they have again gone above and beyond in serving our school community. Many had to care for their own family while working with your children. Others committed when it would have been easy to "pull the pin". Others haven't missed a beat since being on duty back on the Public Holiday of Easter Monday. This isn't a job, it's a vocation. Make sure you show your gratitude to those who cared for your sons and daughters.

Dates To Remember
