21 October 2020

Dear Families,

We have organised School Photos for next ***Tuesday, October 27th 2020***. Only Individual shots will be taken. These shots will be combined to make a “Composite Style Photo” (head shots combined – **please review attached flyer**).

If you have prepaid for your photos and accept this offer, then that's fine, there is nothing more you need to do. If you have lost your photo envelope and accept this offer, please contact the school office.

If you have prepaid for your photos, but want to change your order, then please email MSP [admin.mrr@mshp.com.au](mailto:admin.mrr@mshp.com.au) or contact Donna in our school office.

Later in the year, we will take ‘casual style’ class group photos and email them to you for your use.

Please do not hesitate to contact our office 5862 1804 if you require any further information.

Regards,

Paul Arnel

Principal

**When students return to schools, school photos will change to a professional and effective composite style.**

## **WHAT IS A COMPOSITE STYLE?**

A Composite product is when students are photographed individually, with the group created digitally using a composite template.

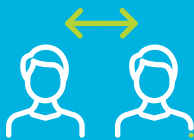

**This will eliminate the need for students to be grouped together in close contact with either themselves, teachers or MSP Photography employees.**

Our priority is to ensure the safety and wellbeing of our schools and their students, our employees and the wider community.
