To Parents and Carers,

We are currently considering providing Vacation Care. The care will be open to all school families and it does not have to be work related.

In order to help us ascertain the need for Vacation Care, we are asking families to fill in the form below and return it to school by **Friday 30th October**. If our results show a need for Vacation Care, we will then investigate further.

On which days and hours are you likely to need Vacation Care beginning 4th January 2021 for 3 weeks?

	Monday	Tuesday	Wednesday	Thursday	Friday
Hours					

If we were to provide Vacation Care only on Tuesday Wednesday & Thursdays, would that assist you?

Yes

No

Please indicate which School Holidays you would possibly use Vacation Care.

	April	July	September
Please Tick all that would be required			

Bookings do not need to be permanent, although it would assist with planning, staffing and will guarantee your place. Casual Bookings will be available as space permits. Cost is yet to be determined, Child Care Subsidy will be available as per your total family income. (eg Fee charged is \$60, cost to parent/carer after max CCS would be approx. \$9.25) You can use the Child Care Subsidy Calculator to determine your rebate.

Thank you for your time, please provide your name below so that if we go ahead with providing Vacation Care, we can contact you with more information.
