Bulletin—Week 8 of Term 3, 2nd September 2021

Saint Mary MacKillop said,
"Never See a Need Without Doing Something About It!"
At St Joseph's We: Need to have a **Positive Attitude**
Need to be **Aware** and Need to Take **Action**.
Our next fortnight's Triple A Social Skill is **Consideration**
Our focus within the three areas are as follows
Attitude : Thinking of Others
Awareness : Needs / Feelings of Others
Action : Putting Others First

Dear Parents and Carers

Sunday is Father's Day. It is a timely opportunity to celebrate all that is good about our families, with a special focus on Dad. We recognise that all families are different and for those with a Father or Father Figure in the home, then we celebrate all that is good about him. Our Faith Tradition sees Jesus' Father Joseph as an unsung hero of his upbringing yet surely stood strong alongside Mary. And we have many heroes and famous stories of Fathers that we can refer to in our world but for us in our community, it's a chance to simply say well done. So men, enjoy a minute or two in the sun - Have a Great Day !

At this stage, Home Learning will continue for the remainder of term. This lockdown has certainly been different for us as Covid sits on our doorstep. We have minimised the school footprint through small as possible student and staff attendance. The network of contacts we create is then as small as possible. This has created even more stresses for some families but that is what the current situation demands. So hang in there, and as I have said "Look after yourself firstly, then look after your family and friends and reach out to your extended family and friends afar".

Arrangements for On-Site Supervision remains the same. Worker Permits must be completed before children can attend.
