Newsletter—Week 3 of Term 1, February 15th 2024

Saint Mary MacKillop said,
"Never See a Need Without Doing Something About It !"

At St Joseph's We: Need to have a **Positive Attitude**

Need to be **Aware** and Need to Take **Action**.

Our next fortnight's Triple A Social Skill is **Manners**

Our focus within the three areas are as follows

Attitude : Being Polite

Awareness : Knowing Good Manners

Action : Using Good Manners eg Please / Thank You

Ash Wednesday & LENT

Ash Wednesday is a most important Holy Day in the Church's Calendar. Ash Wednesday begins Lent, a season where we focus on * what we can do to assist others * how we come to appreciate what we have and * how we can think of others through prayer. We learnt about the day yesterday through our class sessions and now focus as a school on these three areas. We were marked with the sign of the cross in recognising the day.

Dear Parents, Carers and Friends

*We are up and running with a brilliant start to the New School Year! The kids have settled beautifully, I thank our amazing staff for their work in knowing the children so well and being ready to work with and cater for their needs. I hope you took advantage of the opportunity to catch up with your child/ren's teacher/s yesterday to get the year rolling.

*We celebrate our Beginning of Year and welcome our Year 6 Leaders at tomorrow's liturgy. All families are welcome to join us at 9:30am in the MacKillop Centre while a special invitation is extended to Year 6 parents and carers.

SCHOOL FEES:

If any family would like to commence having their fees directly debited fortnightly or monthly this can be done at any time!

Next Fortnightly Debits: 23rd Feb & 8th March.

Monthly Debits 18th of each month.

If you have unexpected circumstances for the fortnight or month and need to stop a Direct Debit please note they are processed two days before the due date and so you will need to contact us prior to that, to put a stop on them.

If you are paying your fees in full, yearly fees are due by 18th March 2023.

EFTPOS and **CENTREPAY** are now a payment option. Please enquire at the office.

UPDATE YOUR DETAILS

If you have moved address, changed your occupation or any other details, please contact our office by Monday 18th February. We need the correct information as the funding we receive from the government is based on these details.

If you are eligible for the Camp Sports Excursion Fund (CSEF) please complete an application & hand into the office.

(healthcare card required). If you applied last year and your circumstances haven't changed, eg number of children attending school is the same, then you don't need to complete the application again.

If you have any queries or concerns about your payment commitments, please do not hesitate to come in and speak to Paul. If you are wanting to amend your payment options please do so ASAP.

The Term Planner can be viewed from the school website under news & events \ newsletters

If you have any queries, please ring Gayle or Donna at the office on 5862 1804

Caritas – Project Compassion

 **Caritas** Ash Wednesday
AUSTRALIA 14 February

**PROJECT
COMPASSION**
FOR ALL FUTURE GENERATIONS

This week, the season of Lent begins with Ash Wednesday, which also marks the beginning of the annual Caritas Australia Project Compassion Appeal. Donations to Project Compassion allow Caritas Australia, the Catholic Agency for International Aid and Development, to work with local communities around the world to end poverty, promote justice and uphold dignity.

Please give generously to Caritas Australia this Lenten season and help vulnerable people around the world, now and *for all future generations*.

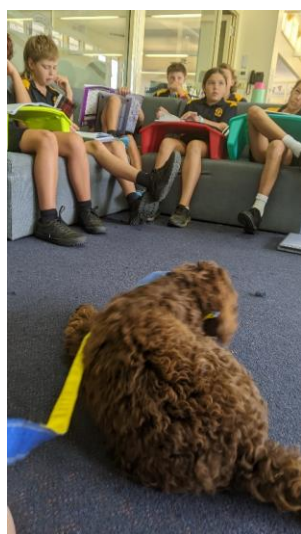

With your support, Caritas Australia has been able to assist communities around the world through income generation, water and sanitation, food security, education and disaster risk reduction programs.

Project Compassion 2024 reminds us that the good we do today will extend and impact the lives of generations to come. Together, we can help vulnerable communities face their challenges today and build a better tomorrow.

You can donate through Project Compassion donation boxes and online by visiting caritas.org.au/project-compassion or by calling 1800 024 413.

Frankie's Corner

Today, Frankie had her first day of school for 2024. Like all of us on our first day, Frankie was nervous but excited to meet everyone.

School is her place of learning and working too, so we need to respect her personal space and safety – just like we do with students, staff and visitors. It's important that Frankie can walk around and get to know the school without being distracted or feeling unsafe.

Frankie has a very special role as a wellbeing dog at our school. Over time, Frankie will become comfortable in the school and she will be spending time in lots of classrooms and other areas in the school.

Staff, students and parents and carers need to follow the expectations. Parents and carers, ask your child about these expectations.

3 Expectations

When you see Frankie, keep these three things in mind:

Preps

Welcome all new and returning families to the 2023 school year! It has been so exciting getting to know all of our students and their families over the last few weeks! We are so pleased with how well the Prep's have settled into their classroom environment and routines, and we feel privileged to guide them through their first year of living and learning at St Joseph's. A huge thank you to all of our Prep parents and carers who have been doing such a great job of ensuring that their children have been able to have a smooth beginning to their schooling. Your support and efforts here are greatly appreciated.

Seesaw

We hope you are enjoying being part of our classroom through the Seesaw App. Seesaw is a communication tool used to strengthen the relationship between home and school by sharing photos and important announcements with you.

Literacy

In Literacy, the students have been introduced to our Literacy program called 'Sounds-Write,' that will support them in becoming proficient Readers and Writers. The students will focus on a set of sounds and spellings which they will then use to generate words starting with a i m s t. This learning will be supported through decodable readers which have been sent home. At our Parent / Teacher catch up we will be able to give you some more information and tips on what you can do at home to support your child.

In addition to Sounds-Write, the students have also been learning about the concepts of print including the front cover, title and where to start reading on a page. They have been focusing on how to correctly hold a pencil, as well as forming lower case letters through tracing and independent practice.

Numeracy

In Numeracy, the students have been learning to count, write and make numbers from 1-10. They have been provided with many hands-on opportunities to practice counting groups of objects so that they can understand and visualise what a number represents. In the coming weeks we will begin focusing on shapes, where the students will learn how to identify 2D shapes, and their purpose in the real world.

Religion

In Religion, students have been learning about ways we can talk to God. They have been exploring different ways we can pray and are beginning to understand that it is something we can be involved in at any time and in any place. We have also begun talking about a thank you prayer, taking the time to consider the things we are thankful for in our lives, such as family, friends and pets.

St Joseph's School - Newsletter

Inquiry

In Inquiry, the students have been focusing on setting classroom expectations and routines. We have been discussing the importance of being a friend to all and displaying appropriate behaviours so that everyone can feel safe and happy at school.

BUDDIES

The prep children have been introduced to their Grade 6 Buddy. This Buddy is a leader in our school and is able to provide support and guidance to your child. Throughout the year we will do activities with our buddies. It is wonderful to see this friendship grow and watch the interactions develop.

SPECIALIST & UNIFORM

- **Art & Library - Tuesday.** Please ensure that your child brings their library bag and book on this day otherwise they will not be able to reborrow.
- **Sport Uniform - Tuesday and Friday.**

We look forward to closely working with you this year to build a happy learning environment for our children.

Thank you,

The Prep Team! (Tanya, Dave, Emma & Shay)

Juniors

Welcome back everyone!

What a wonderful start we have had to 2024! As a Junior Team we would like to welcome everyone back to school as we start our year of Living and Learning. We congratulate all students on the responsible and positive manner in which they have returned to school.

This year our Junior Team consists of:

Junior East - Sara Whitford and James Pruden, LSO - Bern Thorp (Mon/Tues/Wed) and Jane Garner (Thurs/Fri)

Junior West - Makayla O'Callaghan and Jai Morrison, LSOs - Anna Newman and Ally Kiesskalt.
Support Teacher - Joanie Arnel

Writing

For the first three weeks we have been focusing on Recount Writing. We enjoyed hearing all about students' adventures with their families over the break in their recounts and we have been encouraging students to sequence their writing in the order that things happen. Also, it has been great to see students trying to make their writing more interesting with their word choices. We are making a wonderful display of our Holiday Recounts in the classrooms if you would like to check it out in the coming weeks.

Readers

Your child will be bringing their readers home at the beginning of week 3/4. It is really important that you read through the notes in the folder as our reading is slightly different this year. If you have any questions about reading, please feel free to contact your child's classroom Teacher.

Sounds Write

At St Joseph's we incorporate the 'SoundsWrite' program to teach reading and spelling. Each day we will form groups to focus on a set of sounds. From these sounds we generate words which will become the words students bring home in their phonics book. It would be a good opportunity for you to go through these words with your child and practice them at home. The children are asked to write these words at least twice a week.

Numeracy

Our students have had a fantastic start to Math tasks over the last couple of weeks. We have been focusing on Counting and Place Value which involves students learning and understanding the value of digits within a number.

Religion

In religion we have been learning about Creation. Students have looked at the definition of creation/creativity and enjoyed lots of opportunities to show their skills including designing a new playground.

Inquiry

In Inquiry we have been setting up our classroom expectations. We have been discussing what we need to do to have a safe and happy classroom. Students have learnt about whole body listening and how we make good learning choices.

Developmental Play

On Friday's students participate in Developmental Play. We are very proud to see so many children playing with new friends and trying activities that they usually wouldn't. This is a much-anticipated time of the week, but also an integral part of building our social skills and ability to use imagination.

Specialist

Students have specialist classes on **Wednesdays**. The children need to continue to wear their **sports uniform** every Wednesday and Friday. They also need to bring their Library bag each Wednesday.

Weeks 1-5 (Wednesday)

Junior West: LOTE/ART
Junior East: PE/LIBRARY

Weeks 6-9 (Wednesday)

Junior West: PE/LIBRARY
Junior East: LOTE/ART

Fridays WEEK 1-5

Junior West: PE
Junior East: MUSIC

Please send us a message on SeeSaw if you have any questions or concerns regarding your child. Makayla, Jai, Sara, James, Joanie, Anna, Ally, Bern and Jane.

Middles

Welcome to the Middle School and our 2024 year of living and learning. We are very excited to get to know your kids and help them grow in all areas of their learning.

Literacy

This week in Literacy we have started our normal routine. The first hour of each day is our SoundsWrite/Reading hour, followed by a Writing hour. Each week students will have a spelling focus that aligns with our whole school SoundsWrite program. During Writing, we are looking at persuasive texts. Students are having to formulate reasons for and against a range of topics.

Numeracy

In Numeracy, students are building their understanding and knowledge surrounding Place Value. We are using a range of concrete materials and mental strategies to explore larger numbers. Following this unit, we begin to look at Addition and Subtraction.

Inquiry

In Inquiry, our unit is Healthy Me, Healthy Classroom. As we start our year this unit allows us to establish positive classroom expectations, rules and values. Furthermore, we aim for students to understand what helps them to be the healthiest and happiest version of themselves at both school and home.

Homework Routine.

Reading - Students should **read each night** to develop confidence, accuracy, fluency, expression and use of reading and literacy strategies. A parent / carer signature in diaries is required each night and students are to return their diaries to their teacher each morning.

Literacy/SoundsWrite - Each Monday students will be sent home with Literacy/SoundsWrite homework. This homework may include practicing spelling words and/or completing any literacy tasks provided by their teacher. We ask that these homework books be returned to school each Friday.

Please send us a message on SeeSaw if you have any questions or concerns regarding your child. Jordyn, Liam, Georgia, Loreena, Tim, Bre, Amanda, Clayton, Taylor, Kloe & Laura.

Seniors

Welcome

To begin we would like to extend a warm welcome back to all Year Five and Six students and we congratulate all of you on the settled manner in which you have begun the School year.

“We are the standard!”

We regard all the students in our Senior School as leaders of St Joseph's and therefore we begin our year with the expectation that our students set the standard regarding their behaviour and attitude towards others and their schoolwork. We trust that all our students will rise to the challenge of being a Senior School student.

No responsibilities come without reward, and that is true for the Senior School as well. A sneak peek of some things we look forward to this year are: Borambola Camp, Winter Sports, Festival of the Sacred, Production, Inquiry Projects and many more.

Swimming Program and Carnival

Our swimming carnival went off without a hitch this year! The team spirit and level of participation from all of our students was fantastic. As Mr A says, “It doesn't matter how well you can swim, as long as you give it your best”, and our Senior students really set the standard for the rest of the school on how well they took part on the day. Congratulations to Rohan, Champions for 2024!

Opening Year Mass and Year 6 Leadership

This coming Friday, we celebrate our wonderful Grade 6 students at our Opening Liturgy. All Grade 6 students will receive a personalised School Leader polo shirt.

The 2024 Line Up

Senior S - Adam Stirton remains as one of our classroom teachers and also retains his role as unit leader. Adam takes on the role of Literacy Leader on Thursdays, and Ali Harber steps into the classroom for that day.

Senior D/T - We welcome Alison Dietrich and Jody Tilley to our Senior School. Alison will be teaching Monday to Wednesday, while Jody will be in the classroom Wednesday to Friday.

Senior T - Jeremy Tyndall remains as one of our classroom teachers this year.

Senior M - We also welcome Trevor Mills to our team. Trevor will bring a lot of experience and new ideas to our team.

Specialist Support - Dom Izzard continues his role in Literacy and Numeracy Support, as well as working with our Year 6 Leadership Teams.

Learning Support Officers - Karlene Bethell, Di Thorne and Sam Carnie continue their work in our team, working with students who need support. Ray Goldsack continues his work in Maths, Literacy and ICT support for the school.

Specialist Updates

During Term 1, students will be having Specialists on Tuesdays and Wednesdays. This means that students will be able to wear their Sports Uniform these days. They can also wear sports uniforms on Friday.

St Joseph's School - Newsletter

Homework

Students will begin to receive homework this week. Homework will be handed out each Monday and collected each Friday. If students need help with their homework, there will be a Homework Club run each Tuesday lunchtime in Mr Stirton's classroom. If a student is away when homework is handed out, it is their responsibility to collect it.

In the Senior School our homework expectations are:

- Reading for at least 15 minutes (completed nightly)
- Daily diary GEM task (completed nightly)
- Parent/carer signature
- Differentiated Maths Sheet (due Friday)
- Literacy Sheet (due Friday)

We look forward to an exciting, productive, and fun year of Living and Learning in our Senior School in 2024.

Thank you,

Senior School Staff

Adam, Jeremy, Al, Jody, Trevor, Karlene, Di, Sam, Ray and Dom.

2024 Swimming Carnival

In absolutely perfect conditions, the Swimming Carnival was held on Friday 9th February. In all, 53 heats were completed in 25m and 50m races, across the 4 strokes (Freestyle, Backstroke, Breaststroke & Butterfly)

It was fantastic to see so many students challenging themselves and stepping up to swim in the main pool. Those not swimming in races were well catered for in the Novelty events where they were able to perform in a more comfortable and less competitive environment.

A big thanks must be extended to the staff who worked tirelessly throughout the day and in the lead up to the Carnival. Also, to the Year 9 SMOTA kids who, as ex-students came back to provide some valuable assistance.

To Mr Arnel, thanks for his great enthusiasm and information on the microphone. His commentary of all races, especially when the St. Joseph's staff won the final relay, created a great feel to a wonderful, fun day.

A team of 9 swimmers has been selected to compete at the next level in Shepparton on Thursday 22nd February.

BOYS: Jobe Morris Jack Robertson
Jasper Brown

GIRLS: Zara Morris Audrey Martin
Lily Frederickson Tess McCracken
Tilly Ruscoe Addi Stuart

1st ROHAN – 194 **2nd O'CONNOR – 152**
3rd McCARTHY – 139 **4th CREMIN - 117**

Thanks
