First Day of School

Principal's Message

Ruth Hartnett-Carr

Dear St Joseph's families,

Welcome back to the new academic year at our wonderful school. I hope the summer break brought rest, joy and time with loved ones. There is always something special about the first weeks of school. As I walk around St Joseph's I can feel the excitement of returning friendships, the anticipation of new learning, and the sense of shared hope that a fresh year brings. I'm truly delighted to welcome every student, staff member, and family into the 2026 school year.

This year also marks a very special moment for me personally, as I introduce myself to you as the new Principal of St Joseph's. Many of you may already know me, my husband Andrew, and our three children Sarah, Noah and Maisie who have all been part of this beautiful school community. With Maisie still here at St Joseph's, I continue to see school life through both the eyes of a leader and an engaged parent who cares deeply about the wellbeing and growth of all our children.

I am incredibly humbled to be the first former student to serve as Principal in the school's history. My entire primary education was spent here at St Joseph's and returning in this capacity feels both surreal and

profoundly meaningful. The values, faith, and sense of belonging I experienced as a child here helped shape who I am today and it is an honour to now help guide the next generation of learners along their own journey.

As we begin this year together, I also feel deeply privileged to continue carrying the mantle of St Mary MacKillop, whose vision and heart for children remain at the centre of everything we do. Her commitment to community, compassion, and the dignity of every student inspires us daily, and I look forward to working with you to keep her legacy alive in the life of our school.

Thank you for welcoming me so warmly. I am excited for the year ahead and its possibilities, its challenges, and the opportunities it will bring for our students to grow in faith, learning, and joy. Please know my door is always open, and I look forward to partnering with each of you as we continue to make St Joseph's a place where every child feels valued, supported and inspired. Wishing you all a wonderful start to 2026.

"Be a gift of love and compassion for one another"

Vacation Care

We saw many children enjoying a variety of fun activities from Crazy Hair day, cooking, art and craft, sport - what was even more exciting is we saw some new starters to the school who were given the opportunity to make new friends and they can continue to look up to during their first few days, knowing someone is watching out for them. While some of the younger ones demonstrated their sporting skills, others had the opportunity to show off their creative side by making cubby houses from recycled cardboard and materials. Whilst some excelled in the sports, others showed off their talent in the kitchen making afternoon tea for everyone to enjoy after movie time. Looking forward to seeing the old and some new faces in the before and after school care program in 2026.

Camps, Sports and Excursions Fund eligibility

Applications must be submitted to the school as soon as possible and no later than the end of Term 2.

Where a school or family is unsure if the concession card is eligible, they are encouraged to submit the application into the CSEF system for validation.

CSEF payments cannot be claimed retrospectively for prior years.

Queries relating to CSEF eligibility and payments should be directed to the school.

Those who are eligible to apply for the CSEF **must meet both** of the following two criteria or be eligible for special consideration.

Eligible means-tested cards

Only financially means-tested cards are eligible.

Eligibility date

Eligibility will be subject to the parent/carer's concession card being successfully validated with Centrelink (refer to the department's policy, Camps, Sports and Excursions Fund (CSEF)), on either the first student day of Term 1 or Term 2.

Criterion 1 – General eligibility

The applicant must be one of the following:

- a parent or carer who is the beneficiary of a financially means-tested card
- a student over 16 years who is considered a mature minor and holds a valid concession card (such as a Youth Allowance Health Care Card). Applicant to use the 16 and over application form. For guidance on assessing whether a student is a mature minor, refer to the department's policy on Mature Minors and Decision Making
- a parent or carer whose child is 16 or over and the beneficiary of a financially means-tested card but are not considered a mature minor. Applicant to use the 16 and over parent consent form.

For students over 16 years of age and where the eligible card is in the name of the student, the fund is only granted to that student, not their siblings.

Criterion 2 – Be of school age and attend a Victorian school

For the purposes of CSEF, students may be eligible for assistance if they attend a registered Victorian school. CSEF is not payable to a student attending pre-school, kindergarten, TAFE or who are home schooled.

Special Consideration

A special consideration eligibility category exists to assist families and students in certain circumstances. Applications should be made through this application form. For more information, refer to: Camps, Sports and Excursions Fund (CSEF): Eligibility.
